The X count was low at the 600 yard line, heralding the breezy conditions that were experienced all day. Despite the wind, some nice scores were turned in on this cool winter day. **Bill Jenkins** came out of his self-imposed across the course retirement to beat the entire pack with a 780-25X. I wonder what he would shoot if he fired XTC every month! The efforts of **Dan Zelenka** to recruit new shooters to the sport was evident, as the Master class was loaded with unclassified shooters, many of whom turned in some really nice scores. **Dan Zelenka** won the class with a 768-17X. Two unclassified shooters finished out the top three, with **Bill Hickman** firing a very respectable 717-6X for his first XTC match and **Derek Pinsonat** firing a 696-6X. The combined Expert/Sharpshooter class was won by **Robert Bose**, who uncharacteristically turned in an Expert score of 747-15X. **David LaBalle**, who has been on fire these last couple of months, continued to shoot well firing a 739-16X. Rounding out the class was **Bruce Pickering**, who turned in a 737-12X. **Joe Meaux** won't be a Marksman for very long. Joe shot a blistering Master score of 756-12X to win the Marksman class. Junior **Troy Lowe** continues to improve, firing a 727-7X to finish second in the class and 1st in the Junior category. Senior **Otto Bader** also continues to improve each week, and turned in a fine score of 683-9X to finish out the Marksman class. The Junior category was rounded out with new shooters **Seth Hickman** and **William Luke**, who fired 679-5X and 662-2X, respectively.

NRA has published a new rule for rapid fire. To read the rule change in its entirety, see http://www.nrahq.org/compete/rules/rul_hpr_09.pdf

The next across the course match will be held on Saturday, 21 March 2009
