

PALO ALTO MID-RANGE PRONE / F-CLASS

AUGUST 1, 2009

RESULTS

Fifteen shooters braved the August heat and humidity and were treated to some typical Palo Alto winds. We had a ten minute rain delay just before the last string was fired, but those who fired last were treated to some very calm conditions, and they took advantage of it. Bill Jenkins was Prone Match Winner, and Whitney Simoneaux was F-Class Match winner. Congratulations to both!

The brothers Jenkins were alone in the High Master class, with Bill taking the overall win with 586-17x. Bob Jenkins took first in the combined HM/Master class with a nice score of 584-18x with his service rifle no less. Ronald Kliebert was tops in the combined Expert/SS class with 561-7x. Joe Bougard was first F-Open with his 594-23x. Nice shooting Joe! (This was only Joe's sixth match, he is a fast learner!) The F-TR class had the most entries, which included some new faces. David Aldridge took first place honors, shooting his new .308. His score of 572-15x, led second place Ted Torres (571-11x) by a single point.

It was a good match, with some challenging conditions at times, but everyone enjoyed the day. We missed some of our regulars who are shooting at Camp Perry, and Australia. We wish them good luck!

Next match is Saturday September 5. The Mid-Range Prone / F-Class State Championship is Saturday & Sunday October 3 & 4, 2009. Hope to see you there.

Lanny & Gary

PRONE

HIGH MASTER / MASTER

Bob Jenkins	197-6	189-3	198-9	584-18x	1 ST HM/M
