It was Africa hot at Donaldsonville for the August across the course match. But, seventeen hardcore shooters turned out to test their abilities. **Bill Jenkins** continues to show that he can still work the service rifle turning in an impressive, if not consistent 780-20X to take top honors. The tall grass across the entire course, which made prone rapid fire very difficult, likely kept **Dan Zelenka** from shooting a High Master score. However, he did manage a fine 774-25X to take the Master class. It is a shame when a 772-19X doesn't win the Master class, but that is exactly what happened to **Mark Altazin**. This class continues to be very competitive at the PAR&PC. Junior **David Higgins** continues to improve, shooting a 743-11X to take the Expert class, with **Bruce Pickering** shooting a 732-10X for second. Finally, the combined Sharpshooter/Marksman class was also won by a junior, with **Sean Creel** shooting a 714-8X, despite being branded by a hot piece of brass. **Jim Biermann** took second place with a 699-7X.

NRA has published a new rule for rapid fire. To read the rule change in its entirety, see http://www.nrahq.org/compete/rules/rul_hpr_09.pdf

The next across the course match will be held on Saturday, 19 September 2009
