

PALO ALTO MID-RANGE PRONE & F-CLASS

September 5, 2009

The September match was a good one. Twenty one shooters participated in the 'warm-up' to the state championship (Oct 3-4), and were treated to two new range records by Brandon Green of the U.S. Army Marksmanship Unit. Conditions were mild all day, and Brandon took advantage of the opportunity. He started the day red hot, firing a range record 200-18X, followed that up with a very nice 200-14X, then finished with 199-11X for a new range record aggregate score of 599-43X. Congratulations Brandon! Well done.

First place High Master was Dan Zelenka with a nice 596-32x. Junior shooter David Higgins took first place in the combined MA/SS/MK class with a very nice score of 581-24x.

Over on the F-Class side, Whitney Simoneaux was Match Winner with a strong 597-28X. Joe Bougard was first in F-Open with 594-37X, The F-TR class continues its strong participation with nine entries, led by Joe Mistretta (in his first F-Class match ever) with a good score of 582-21X. Second place went to Ted Torres with 576-13X, and in third place was David Aldridge with 575-16X. Congratulations to all.

Thanks to Gary Henry and Joey Clark for our target prep before the match. Remember next month will be our state championship match (October 3-4). The format will be the same as a monthly match, on consecutive days. Following Saturdays match we will have lunch and drinks on the range and awarding of door prizes. Following that we will hold a 2-man team fun match for both Prone and F-Class, (20 record shots which is not part of the state championship aggregate). Entry for the team match will be \$10.00 per team with all monies returned to the shooters. This will be scored on a handicap system based on NRA classifications, so anyone can win. We hope you can make it.

Lanny & Gary
