CMP Club No. 42043

20 February 2010

We have not shot an across the course match at Palo Alto since the third weekend in October, and it looked like it. The scores were generally from bad to horrible with conditions that really were not that terrible. The winds were fishtailing and the sky was hazy, but all-in-all, the conditions were fairly typical for Palo Alto in the spring. We only have a couple of months to knock off the rust before the Bayou State Regional Championships in April. The High Score was fired by **Bob Jenkins** with a 769-22X. The Expert class went to **Robert Bose**, with a Master score of 752-13X. This class was large, allowing us to give three prizes. **David Higgins** was High Junior and 2nd Expert with a 746-15X and **Bruce Pickering** fired a 732-9X for 3rd Expert. Junior **William Luke** won the Sharpshooter class with a 633-3X. Finally, **Dwayne Vidrine** won the Marksman class with a 711-10X, which is only one point from an Expert score.

The next across the course match will be held on Saturday, 20 March 2010, which will be the last XTC match at Palo Alto before the Regional Matches in April. There is still room to reserve a spot in the Regionals.
