Only 14 brave souls shot in the last HOT match of 2010! I say, "Good riddance to the heat!" I know George agrees. I checked on George after the match, and he said a little air conditioning and a cool glass of water had really helped to cool him down.

For some reason, everyone shot like we have not had a match since June. I wonder why? The match winner was **Dan Zelenka** with a very modest 769-27X. **Mark Altazin** took the Master class with a nice 769-18X, just losing to Dan with his higher X count. **Jay Hunt** shook off the cob webs and turned in a 750-12X to take second Master. **Nick Owen** continued his dominance of the Expert class shooting a 742-14X with **Dwayne Vidrine** right on his heels with a 739-15X.

The repairs to the pitts are fantastic, and everyone approved of the new look and feel. We'll use those new pitts in October for the Louisiana State High Power Rifle Championships on October 16 and 17.
