

January 8, 2011

We had a great turnout today with thirty shooters enjoying some fine January weather. Clear skies and interesting winds were the order of the day. The f-class classes were very well attended with twenty four shooters; fourteen of which were in F-TR. All in all, a very nice turnout for a January match.

F-TR Match Winner Kevin Dimartino led the TR shooters with a very nice 574-11, followed by Chris Kliebert's 571-14, David Aldridge's 570-15 and Travis Williams' 567-9. Good shooting guys and thanks for the strong turnout. In the F-Open class, Don Geraci took first with 586-16x, followed by John Bartus with 585-24x. The F-Class Match Winner was Lanny Russell with 590-25x.

Bill Jenkins continued his good showings by winning the Prone Match with a very nice 595-30x in the combined High Master/Master class. Dave Polan was top gun in the combined Expert/Sharpshooter/Marksman class with 579-19x. Good shooting guys!

The 2011 match dates are: Jan 8, Feb 5, March 5, April 2,3 (Spring Regional), May 7, June 4, July 2, August 6, Sept 3, Oct 1,2 (State Championship) Nov 5, and Dec 3. For those in attendance today, I misspoke the dates for the Spring Regional; the correct dates are shown here.

Thanks again for the great turnout today, we hope to see you in February.
