

FEBRUARY 5, 2011

Ice in the pits! That pretty much sums it up. It was a cold day, but at least it was sunny. With the constant breeze, by the end of the day everyone was ready for a warmer place. Nonetheless, we had fifteen brave souls who enjoyed(?) a good day burning powder and dancing with Palo Alto's winds.

Bill Jenkins continued his strong shooting, taking Prone Match Winner with a very nice 595-30x score. In the combined Expert/Sharpshooter class Charles Freeman was top shooter with a nice 542-5x score. Congratulations Charles and Bill.

In the F-TR class David Aldridge had a consistent performance and it showed in his score of 581-18x, taking the TR Match Winner gold. In the Open class, David Decareaux took top honors with his 584-13x; all good scores for the existing conditions. Congratulations to all, and thanks to everyone for coming out to a cold range following two or three days of nasty weather. Next match will be March 5, and I'm promising warmer weather. Hope to see you then.

I have attached the SR-1 entry form for the April Spring Regional. Don't wait too long, entries are already coming in.
