

PALO ALTO RIFLE & PISTOL CLUB

APRIL 2-3, 2011

The 2011 Palo Alto Mid-Range Spring Regional Championship is in the record books. It seems like the competition gets more exciting each year, and this year was no exception. We had multiple range records tied, broken and set both days. The weather was perfect, indeed fortunate, as the match was sandwiched between two nasty weather fronts two days prior to and following the match. Blue skies and typical Palo Alto winds were the order of the day on Saturday, while Sunday's winds built all day long with flags standing straight by the afternoon. The three Regional Champions proved their worthiness both days. Congratulations to your 2011 Mid-Range Regional Champions:

Stacey Tamulinas (Tx) 1198-90x Prone Regional Champion

John Brewer (Ms) 1180-82x F-Class Open Regional Champion

Dakota Murphy (La) 1162-47x F-Class TR Regional Champion

All three champions tied, or set range records in the process.

Saturday morning Stacey Tamulinas tied the Prone 20 shot record with 200-18x, as did John Brewer in F-Open with his 200-18x. Later in the day Dakota Murphy shooting his first ever NRA mid-range match, fired a new record 199-9x in F-TR, which gave him a new F-TR 600 point aggregate record of 590-26x. At the same time, Gary Henry set a new Prone 600 point aggregate record of 600-38x. And the match was only half over.

Sundays shooting was even more impressive given the difficult conditions. Stacey Tamulinas took up where he left off Saturday and pounded out a 200-15x, followed by 200-16x, and finished with 200-16x for a 60 shot aggregate of 600-47x, breaking Gary Henry's day old record. Stacey's 1200 point aggregate is a new range record 1198-90x. John Brewer closed out his second day in the F-Open record books again with a 1189-82x record, as did Dakota Murphy with his 1162-47x F-TR aggregate. Terrific shooting indeed! Congratulations!!

In the classes, shooting was close among the leaders with the lead changing hands with each match, and each day. In the end it was Gary Henry taking first in Prone HM with 1197-61x, followed by Jon Rhynard's 1192-76. Both scores would have broken the old record. Gary Crayne won the Prone Master class with 1167-43x. Mark Altazin won the Expert class with his 1164-32x. Mark was shooting his new tube gun. I think he is happy with it. The combined Sharpshooter-Marksman class was won by Bob Bose with 1119-20x.

The F-Open High Master class was led by Whitney Simoneaux's 1181-47x. In the Master/Expert class, Jim Speaks led the way with 1168-33x. David Decareaux took top honors in F-Open Marksman class with his 1180-55x. Methinks David will not be a Marksman for long. Nice shooting!

In F-TR, Chris Coburn took first place with his 1148-24x, and Chris Kliebert won the Expert class with 1159-38x. Rick Stewart won the Sharpshooter/Marksman class in TR with his 1147-26x. Keep an eye on these young men, they are moving up.

Special thanks to the officers of Palo Alto R&P club for the support and great facility, to the Estopinals for the tasty jambalaya, to Jim Street for the chili, (I think it was chili, it was long gone when I got to it, must have been good!) and to Ms. Simoneaux for the delicious cake.

Once again, congratulations to all the winners for their great shooting, (see attached photos) and to all the competitors a big Thank You for attending our little rifle range on the bayou. We hope to see you again later in the year, perhaps for the Louisiana State Mid-Range Championship in October.

Lanny & Gary
