

JUNE 4, 2011

It was warm and the winds were mild by Palo Alto standards for the twenty four shooters who attended the June 4 match. Rob Westfall was Prone Match Winner with a fine 595-32x score. In the Expert class, Ronald Kliebert was the winner with 566-18x, and Charles Freeman won the SS/MK class with 535-5x. This month we had a new Junior shooter in Blake Hanks who made a nice showing in his first ever 600yd event. Nice shooting Guys.

In the F-Class division, Adrian Smith came out of the Master class to take the F-Open Match Winner title with a fine 593-19x score. Congratulations Adrian! In the F-TR division, Duane Landry came from the Expert class to take top honors with his 575-10x match winning score. In the Master/MU class Eric Kliebert joined his Dad in the winners circle with his 566-12x; and in the Ex/MK class Craig Decoteau continues to progress, taking first with his 564-6x.

Thanks to all who attended. Our next match will be the "Palo Alto Firecracker 600" on July 2. It is just a regular monthly match, but I thought the name was cute, and I'm the editor after all. See you then.
