

July 2, 2011

THE FIRECRACKER 600

The winds were constant and at least somewhat cooling in the July heat. The shooting was very close in most of the classes and some very fine scores were turned in. In Prone HM, Bill and Bob Jenkins both turned in 594's with Bill taking the win with 30 X's. Mike Burke put in another consistent performance taking the Master class with his 575-9x, while Dwaine Vidrine and Nick Owen took wins in Expert & Sharpshooter. Congratulations.

In F-Open it was good to see Joey Clark back on the range again. David Decareaux was the F-Open Match Winner with a very strong 596-35x. James Suber was tops in the Master class with a very nice 587-22x. In F-TR Dwaine Landry once again came out of the Expert class to take the Match Winner title with a 562-6x. The Expert class has become very competitive with very close scoring top to bottom. Dennis Haffner took first in the Expert class with his 555.6x, while Bobby McKee was tops in Unclassified. I'm sure he will shortly join the dog fight in the Expert class.

Thanks to all who attended. Thirty four shooters in the July heat and the 4th of July weekend besides, is very impressive. We are grateful. Next match will be August 6th. The Louisiana Mid-Range Prone & F-Class Championship will be October 1 & 2, 2011.

Lanny & Gary
