NRA CLUB No. C0051

CMP CLUB No. 42043

16 July 2011

HOT! It was a nasty, hot, humid, wet, overcast, rainy day, but we managed to get the match in for the 12 intrepid competitors who were not going to let a typical Louisiana summer day ruin their fun. During the firing of the short line strings, the lack of a breeze and damp conditions were tough. But as the thunderstorms rolled in for the afternoon, the downdrafts from the storms caused some really difficult winds from the South. Both relays shot the 600 yard course in light rains with no mirage, and the scores reflected this.

Mark Altazin returned from Scotland playing that girly sport, and continued to do very well in a man's sport with a nice 771-12X to win the match. The Master class was again won by **John Laws** with a 756-14X. **Nick Owen** won the Expert class with another Master class score of 759-11X, proving that he won't be an Expert much longer. **Warren Freeman** finally shook off the gris-gris that has been plaguing him for several matches in a row, and won second in the class with a strong 750-22X, followed by **Dwayne Vidrine** with a 744-11X.

Note, there is no XTC match in August! Lanny Russell is teaching a wind reading class at the range on the third Saturday in August, so come out to the range and learn from Lanny's experience.
