

August 6, 2011

Despite the heat of August, and the National Matches taking place at Camp Perry, we had thirty nine shooters in attendance. It was our best monthly match attendance ever. The shooting was just as hot, with great scores all thru the classes and tight finishes, many separated by X counts.

The prone shooters took note of the temperatures, as we only had eight guys strap into the jackets. Bill Jenkins was Match Winner posting a very nice 592-33x, besting Rob Westfall by a single X. Happily and sadly, we note that Dave Polan won the Expert class with 589-27x, but it will be Dave's last match with us, as he has accepted a position in the west. We will miss him, and thank him for all his work for this range thru the years. Good luck Dave.

The F-Class shooters (who substitute jackets for shorts and t-shirts) were out in force, especially in F-TR Unclassified. Count em. Eleven new unclassified TR shooters. That promises good things for the future of our sport. In F-Open, the HM class was also loaded, with seven shooters who all bowed to the return of Joey Clark. Joey has been missing of late due to work assignments. He took F-Open Match Winner with a strong 594-30x score, besting 1st HM winner Lanny Russell by another single X. Welcome back Joey. James Suber took the MU class with 578-24x, and Brad Queen won the Expert class with 541-11x. The F-TR Match Winner was Travis Williams who posted a nice 581-12x score. The crowded F-TR MU class was won by Bryan Walker's 566-12x. Craig Martin took second and young Sean Creel took third place. Rick Stewart was 1st Expert with 578-15, while Bobby Guedry won the Marksman class with 573-16x.

All in all, it was a great day. We had hot weather, tricky conditions at times, super attendance and great shooting. Thanks to everyone who attended, and thanks to our pit crew for preparing the targets and range for the match. Our next match will be September 3rd, which will be the last match before our big October 1,2 State Championship. Attached is an SR-1 entry form for the championship. The match is limited to range capacity of sixty shooters, so pre-registration is encouraged.
