17 September 2011

Finally, we got a beautiful fall(ish) day, with lower humidity and reasonable temperatures on which to shoot the September monthly across the course match. Of course, along with the cooler temperatures came some pretty tricky winds for the prone slow fire match.

Robert Bose turned in a very nice 773-16X to win the match. Robert continues to shoot well. The Master class was won by **Mark Altazin**, who won last month's match, with a 763-15X. **Nick Owen** moved up to the Master Class, and took 2nd Master with a 754-14X. The combined Expert/Sharpshooter/Marksman Class was won by **Dwayne** with a strong 759-13X, followed by **Warren Freeman** with a 742-13X.

Note that there will not be a standard monthly XTC match in October, as PAR&PC will host the 2011 Louisiana State High Power Rifle Championship on October 15 with an Excellence-in-Competition (Leg) Match on October 16.
