

It just keeps getting better and better every year. This year's Louisiana Mid-Range Prone & F-Class Championship match was blessed with beautiful cool October weather, some great shooting and great people. Conditions were tricky and changing quickly until later in the afternoon when they stabilized somewhat.

Stacey Tamulinas of Katy, Tx. was Prone Champion with a winning score of 1195-76x, followed closely by David Mayfield of White Hall, Ark. who took First High Master with 1192-69x. In the F-Open class, Brad Queen of Pensacola, Fl. came out of the Expert class to win the F-Open Championship with a score of 1184-57x. C.J. Britt of Brandon, Ms. also came out of the Expert class to win the F-TR Championship with a score of 1151-32x.

The Palma Rifle Champion was Stacey Tamulinas, Any Rifle Champion was Kenny Porter, and Service Rifle Champion Dwayne Vidrine.

Thanks to all who participated and to all those who supported us throughout the year. Special thanks to the volunteers who made the match run so well, to Chuck Ingram and our target preparation crew, Gary Henry running the pits, Kendall Comeaux on the firing line; Bobby Schillereff, Joe Mistretta, Dorothy and Whitney Simoneaux for scoring. Thanks also to those who donated match winnings during the year to our door prize fund and to those who donated prizes. Once again this year we were able to offer a Nightforce scope (SportOptics, Inc. Hammond, La.) and Krieger rifle barrels and items from Randy Nash.

Next match will be Saturday November 5th.
