

November 5, 2011

Perfect weather, mild but tricky winds and thirty five shooters made for a great match on Saturday. Once again the f-class shooters outnumbered prone shooters and the TR shooters outnumbered Open shooters. We also had some new shooters attending their first match.

Gary Henry overcame a low (for Gary) first match with two cleans to take the Prone Match Winner title with 595-36x, besting Bill Jenkins on 'X' count. Joe Mistretta and Kendall Comeaux took class honors in Master and Sharpshooter. In F-Open, Lanny Russell was F-Open Match Winner posting a score of 594-27x, while Jim Speaks was tops in the Master class with 591-22x. In F-TR, Mickey Brinkman was Match Winner, coming out of the Marksman class and posting a fine score of 571-16x. Ray Nallie traveled from Beaumont, Tx. to capture first Master/unclassified, while David Aldridge and Craig Martin took honors in Expert and Sharpshooter. First Marksman was John Hagan.

Next match will be Saturday December 3rd. Thanks to all our shooters, we hope to see you next month.
