

DECEMBER 3, 2011

We had a great turnout for the December match, with thirty competitors. The temperature was perfect and the winds tricky, but we are used to that by now.

Congratulations to the Match Winners, Rob Westfall in Prone (595-36x), Whitney Simoneaux in F-Class Open (591-29x) and Mickey Brinkman in F-Class TR (581-18x). Class winners were Joe Mistretta-Prone Master, James Suber-F Open Master, Charles Freeman F-TR Expert, Craig Decoteau F-TR Sharpshooter, and John Bishop F-TR Marksman.

This match wraps up our eighth year of Mid-Range Prone and F-Class matches at Palo Alto. and also marks a changing of the guard. Gary and I are stepping down as match directors. It has been a labor of love and a very gratifying experience for both of us. We have seen the range and the sport grow from humble beginnings, seen it persevere thru hurricane damage, tropical storms and flooding. We have witnessed the emergence of F-Class, met new shooters and watched them progress to high levels of skill and marksmanship. We have seen Dads and Granddads introducing kids to the sport, watched old men and young men work on the range to make it better, and seen talented shooters giving information and help to those who were learning. I am grateful to have witnessed and been a part of it.

The new match directors are Rick Stewart and Ted Torres. They are experienced and eager to continue the process of providing the best shooting venue in the South. Please welcome them and show them the same great support you have given us over these years. See you on the firing line!

Lanny & Gary
