

PALO ALTO RIFLE AND PISTOL CLUB

NRA CLUB No. C0051

CMP CLUB No. 42043

21 January 2012

The first match of 2012 was dominated by heavy, rain-filled clouds and humid windy conditions as 13 brave shooters reported to the firing line (only 12 competed, as **Sam Beane** got called away to work before he could fire his first shot). The match was called after the 300 rapid fire event, as rain threatened to destroy the 600 yard target cardboard backers.

The match winner was **Danny Hudson**, who fired a 579-10X. The Master Class was won by **John Laws**, who continues to shoot very well, with a 568-9X followed by **Bruce Pickering** with a 567-13X. The Expert class was won by **Dwayne Vidrine**, who continues to fire Master Class scores. Dwayne shot a 569-7X, which would have won the Master Class had he been competing there. The Marksman Class was won by **Mike Pizzolato**, who only recently began to compete again after a low medical leave of absence, with a nice 477-3X. Welcome back Mike!
