

Mid-Range Prone/F-Class Match on Saturday February 4, 2012

The weather all week hovered around 60% chance of rain for Saturday, but by Friday it looked better so the match was held. Temperatures were very warm for February in the low to mid 70's.

33 shooters showed up and with the radar showing heavy rains moving our direction all morning. But we were able to get in 2 strings and get all the equipment up before the radar showed the rain upon us. Winds at Palo Alto this time of the year are always a challenge, but some really nice scores were turned in.

The F-Open folks were out in full force with 17 shooters on the line.

Joe Mistretta from Palo Alto won the Prone side with a 385-15x. But, Expert Dwayne Vidrine from Palo Alto was right on his heels shooting a 385-10x and took 1st Place.

David Decareaux from Bogue Chitto set the pace in the F-Open group shooting a 399-27X and winning the match. Whitney Simoneaux from Palo Alto took 1st Place High Master with a 397-26X. Jim Suber from Bogue Chitto took 1st Place in the Master/Master Unclassified group shooting a High Master 398-17X. I don't think we'll see Jim in the Master Class much longer if he keeps shooting like this! David McClain from Bogue Chitto took 1st Place in the Expert Class with 391-16X. Robert Relinski from Florida took 1st Place in the Sharpshooter/Marksman Class with a 389-12X. All 3 Sharpshooter/Marksman shot Master scores. Great shooting guys!

The match winner for F-TR was again a shooter coming out of the Marksman ranks. Ronnie Bryant from Palo Alto shot a nice 381-8X., besting John Bishop by 1 point. 1st place in the Master/Master Unclassified was Jim Hall of Palo Alto shooting a 379-8X. 1st Place in the Expert Class was Raymond Nallie from Texas with a 374-5X. John Bishop of Palo Alto/Bogue Chitto took 1st Place in Sharpshooter/Marksman class.

Thanks to all for coming out and special thanks again to those folks who came out early and helped get targets up.

See you in March!

Rick and Ted
