Well, summer is officially here! The sun was hot, the weather was humid, the clouds were puffy, and the wind was blowing out of the south. We sure didn't get much of a winter this year, and I hope the mild winter doesn't portend a terrible summer.

The match winner was **Bob Jenkins**, who fired a 782-21X with his service rifle. This month, the High Master Class was large enough to compete for a class winner. **Dan Zelenka** knocked the spider webs from his equipment, and finished with a nice 779-18X to win the High Master Class. The Master Class was won by **Robert Bose**, who continues to shoot very well even though he doesn't shoot every month, with a 766-11X followed by **Bruce Pickering** with a 759-16X. Bruce seems to have that second Master locked up, as he tends to win it each month. The combined Expert/Sharpshooter class was won by **Bradley Petras**, who also won High Junior honors, turning in a Master Class score of 765-15X. The Marksman Class was won by **Sean Hardy**, who won't stay there long, with a nice Master Class score 762-17X. Welcome Sean!
