

## Palo Alto Results Bulletin

This Saturday, the weather gods finally blessed us with good weather, partly cloudy skies, light but switching South winds with temps. in the 80-'s for the first Palo Alto .22F-Class Match. There were a total of fourteen competitors. Ten F-Class and four prone shooters. If not for a scheduling conflict with the XTC competitors, which we will correct, we would have had a full line. Nonetheless, the match was a great success and we plan on making this a monthly affair. Don Geraci, led the F-Class shooters with a fine 1189-65X with one 20X target earning him a silver dollar. Chuck Cazenave was right on his heels and took second place with an 1188-45X. Bobby McKee took third place with an 1156-36X. On the prone side, yours truly took first place with a respectable 1187-41X. Alden Marrero took second with a very nice 1182-45X. Joe Mistretta placed third with an 1169-45X. Also, we need to give credit to Rick Moi who finished fourth. Rick was firing a vintage WWII Reising training rifle with a blade front sight and still shot 30 X's.

Sorry, for the late result, but I had eye surgery the first of the week and that's why things are a little out of line. I can't type in the first place, and doing it with a patch on one eye is a trip in itself.

Thanks to all who participated. Stay tuned for the date of our next match.

Richard

## Results

Competitor	Aggregate	Match I	Match II	Match III	Placement
F-CLASS					
Don Geraci	1189-65X	400-39X	399-26X	390-0	1st
Robert Langley	1137-45X	396-28X	374-17X	367-0
