

Mid-Range Prone/F-Class Match on Saturday November 3, 2012

33 Shooters made it out for the match. Foggy conditions at the range caused a 30 minute delay in getting started, but temperatures were mild. The almost zero winds on the first string and some nice scores on that string gave way to shaking heads and under the breathe mutterings by the third string as the fall/winter winds at Palo made themselves evident. However, this did not stop some nice scores being turned in for the day.

On the Prone side, 7 shooters lined up with Warren Freeman coming out on the first string and setting the pace with a personal best 200-15X. Warren shot well the rest of the day, but Gary Henry came through on his third string with a 200-13X to beat Warren by 1 point for the win posting a 596-33x for the day. Bill Jenkins took 1st High Master/Expert with a 592-23X. Warren didn't walk away empty-handed as he won the combined Expert/Marksman class with a High Master score 595-28X. I don't think Warren is going to be in the Expert class much longer!

On the F-Class Open side, there were 12 shooting and Marc Olivier came out of the Expert class for the win with a High Master 596-35X. Great shooting Marc! 1st High Master went to Jim Suber with a 590-33X. Once again the young ladies walked away with medals. Hannah Mahute was 1st Master/Master Unclassified with a 583-16X and Taylor Boudreaux to 1st Expert/Marksman with a 569-12X.

14 FTR shooters rounded out the competitors with Mickey Brinkman continuing his winning ways with a 586-24X to take top honors. 1st place in the combined Master/Master Unclassified/Expert class went to Howie Mahute with s 582-23X and 2nd place to Jade Delcambre with a 579-16X. 1st place in the combined Sharpshooter/Marksman class went to Chris Hebert with a 571-16X.

Another great day of shooting and we want to thank all those who came out and helped us get ready.

See ya next month!
