

Mid-Range Prone/F-Class Match on Saturday January 5, 2013

25 shooters came out on a raw, wintery day. But those who did get to see one range record matched another shattered!

There were 8 shooters on the Prone side. We were glad to see Dwayne Vidrine back after a 6 month absence due to neck surgery and though he did not shoot his last string due to neck stiffness, we were all happy to see him back. Harold Sightler, making his first visit jumped out on the first string with a 197-9x and never let up posting 197-9x and 199-12x on the next strings and taking the win with a 593-30x. Joe Mistreta was the Master/master Unclassified with a 576-15x. In the combined Expert/Sharpshooter/Marksman class Nick Owen took the win with a 553-8x. Those coats were problem welcome today.

In FTR, Mickey Brinkman continues to set the pace with his second win in a row. Mickey shot his first 200 on his first string with a 200-9x and followed that up with a 198-12x and a 199-11x to finish with a 597-32x. Shooting like this, Mickey will be joining the ranks of High Master very soon. Marc Olivier was 1st in class in the Master/Master Unclassified with a 592-29 x. John Bishop top tops in the combined Expert/Marksman class with a 589-26x.

In the F-Open, Jim Suber shot like a man on a mission. Tying the range record of 200-18x on his second string and having shot a 200-15x on his first string, Jim went on to shoot a 200-11x on his third string. This gave him an overall score of 600-44x. This is a new range record besting the old record of 600-35x set in 2009 by 9 X's. That is setting the bar really high for the next folks to reach! Great shooting Jim!!! Eddie Trahan bested Alton Britt on the X count to take 1st in the High Master group with a 597-39x to Alton's 25x. The combined Master/Master Unclassified/ Expert group was won by Taylor Boudreaux who shot a nice 591-22x.

Another great day of shooting and we want to thank all those who came out and helped us get ready.

See ya next month!
