

Mid-Range Prone/F-Class Match on Saturday May 4, 2013

The NRA Convention in Houston had several of our shooters in attendance there for this weekend.

Temperatures were on the cool side for a May Saturday and the winds took no mercy, either. 23 shooters were in attendance and it was pretty even numbers between Prone, F-Open and F-Class.

Gary Henry took top honors on the Prone side with a 595-33X. Warren Freeman took 1<sup>st</sup> High Master with a 586-22X. Bill Jenkins allowed his 10 year old son to shoot his last string, so Bill didn't have a final score. His son, with dad next to him coaching, shot extremely well. I did not check his final score, but did see quite a few 10's and X's!  
Bill Lackey continues his winning ways taking 1<sup>st</sup> in the Master/Unclassified class with a nice 584-17X.

In F-Open David McLain came out of the Master ranks to take the overall win with a High Master 589-16X. Mark Olivier took 1<sup>st</sup> High Master with a 586-28X, while Matt Barnes took 1<sup>st</sup> Master with a 579-17X.

In the FTR, Tony Acrement shooting his .223 took the overall win with a 587-24X. Alton Britt shot with the FTR guys today and being the only High Master threw his lot in with the Master group to take 1<sup>st</sup> with a 582-19X. Chad Morris fired a nice 578-14X to take 1<sup>st</sup> in the Expert/SS/Marksman group.

Thanks to Chad Morris for putting up the flags and putting out the ammo cans before the match.

See everyone next month!

Rick, Ted and Mickey

High Master . . . . .	98.00 and above
Master . . . . .	96.50 to 97.99
Expert . . . . .	94.00 to 96.49
