

Mid-Range/Prone Match- June 1, 2013- Palo Alto Rifle and Pistol Club

36 shooters came out on a warm June Saturday.

Summer finally made its arrival known yesterday as temperature steadily climbed as the day progressed. Winds and mirage, as usual, became trickier as it heated up.

We had 14 shooters on the F-Open side and that included 8 High Masters. Alton Britt, after taking off last month to shoot with the FTR guys, only dropped one point to take the win with a 599-26X. Jim Suber was only a couple of points behind to take 1st High Master with a 597-36X. Since we have more than 7 shooters in the category, a 2nd place High Master award went to Marc Olivier with a 588-26X, holding off Bob Lundholm by 1X.

Once again, David McLain held on for the win in the combined Master/Master Unclassified/Expert/Sharpshooter/Marksman Class with a 587-25X beating out first time shooter Ernest Coleman on X count.

After a two month hiatus from shooting, Mickey Brinkman picked up right where he left off in March posting a 594-27X to take the win in FTR. John Bishop took 1st Master/Master/Unclassified with a 577-16X. David Aldridge rounded out the winners taking the combines Expert/Marksman group with a 586-15X.

Warren Freeman took the overall Prone win posting a 589-24X. In the Master/Master Unclassified category, Joe Mistretta posted a 586-27X to take 1st Place. John Laws took the combined Expert/Sharpshooter category with a 561-14X.

We also want to thank Taylor Boudreaux for volunteering to help get people registered. It is a big help and appreciated.

Thanks to everyone for coming out.

State match in October and FPR match next Saturday!
