

**PALO ALTO RIFLE AND PISTOL CLUB  
MID-RANGE PRONE/F-CLASS MATCH  
SEPTEMBER 6, 2014**

I was afraid I was going to run out of SR-1's as we had 42 shooters make it out on a warm late summer day. As usual the winds were calm, at first, but then they came alive. We had a couple of folks shoot their first cleans today and the FTR single string range record was tied. We had some first-timer shooters and some folks we haven't seen for a while. We had 6-200's shot today, also.

All in all, a good day of shooting.

The Prone side had 11 shooters. Rob Westfall took the overall win with a 593-25X. David Bay, who shot his first clean today, took 1<sup>st</sup> Master/Master Unclassified/Expert/Marksman with a 587-17X. Dwayne Vidrine, shooting a service rifle, took 2<sup>nd</sup> with a 585-17X. That was also a personal best for Dwayne. Congrats to David and Dwayne on the personal accomplishments today.

The F-Open side had 11 shooters. Gerald Boudreaux only dropped 3 points to take the win with a 597-40X. Marc Olivier was 1<sup>st</sup> High Master with a 595-29X.

In the Master/Master Unclassified/ Expert group, Nick Marion took 1<sup>st</sup> place with an impressive 596-36X.

The FTR folks fielded 20 shooters. It was close but Jade Delcambre beat out Craig Martin on X count to take the win with a 595-32X. Craig was 1<sup>st</sup> High Master with a 595-24X. C.J. Britt took 2<sup>nd</sup> High Master with a 593-30X. C.J. also tied the single string record at 200-17X. Congrats C.J.

Ray Nallie took 1<sup>st</sup> in the Master/Master Unclassified group with a 585-23X. Doug Gary was 2<sup>nd</sup> with a 573-16X. Craig Decoteau rounded out the field taking 1<sup>st</sup> in Expert/Marksman with a 576-20X.

We thank everyone who makes the drive to shoot with us each month. If this was your first time with us, please come back.

The Louisiana Championship is next month, so our next monthly match will be in November. We will see you then.
