And I certainly cannot forget those who helped with the heavy lifting. Tammy Stewart, Tricia LeBlanc, Debbie Hebert and Jolinda Daugherty handled the statistics and kept things moving like a well-oiled machine. Joe Mistretta helped me with calling the line. Thanks to Rob Westfall, Gary Henry, Robert Bose, Mickey Brinkman, Bob Lundholm, John LeBlanc, Vaughn McDonald and Richard Bordelon for helping with Pit duties. And Gary Henry for cooking the pulled pork we had for lunch Saturday. I can't thank you all enough!

60 folks came from as far away as West Texas to Tennessee to Florida to shoot with us. We thank all of you for making the trip and hope you will come back.

The weather was also perfect for the match. Not a cloud in the sky either day and temperatures starting in the upper 50's to mid- to upper-70's for a high. Winds on Saturday were brisk right from the first string and never let up. Sunday started with zero wind but picked up as the day went on.

The weekend saw a new (unofficial at this time) National Record shot as well as

At the end of the first day saw Kenny Porter with a 1 point lead over Stacey Tamulinas. But Sunday saw Stacey find that 2nd gear and take a 2 point overall lead to win the Prone side with a 1194-7x to Kenny's 2nd Place 1192-58X. Gary Henry was 3rd with a 1190-65X. 1st High Master went to Jon Rhynard and 2nd High Master went to Warren Freeman.

Jim Suber held a 1 point lead over Ray Nallie after day 1 in FTR. An unfortunate event for Jim took him out of the race on Sunday. But Craig Martin also came on strong on Sunday and was the winner with a 1182-59X. Greg Barkley was 2nd with a 1178-52X and Chris Hebert was 3rd with a 1177-55X.

John "Wes" Powell and Jade Delcambre had equal 1177-43x for the series, but Wes had shot a 197-7X to Jade's 196-9X on their last strings, so he was 1st High Master and Jade took 2nd High Master. John Bishop rounded out the group with 3rd High Master.

Ray Weaver was 1st Master/Master Unclassified. Ray Nallie took 2nd Master/Master Unclassified.

In the Open group, Gerald Boudreaux was in 1st place by 2 points over Chip Noel. But Sunday, Gerald also experienced an unfortunate event that took him out of the race for the title. Barry Holcomb shooting 2 cleans on Sunday took the win with a 1190-60x. 2nd Place went to William Wittman and 3rd Place was won by Ms. Andy Suber.

1st High Master went to David Decoreaux, 2nd High Master went to Chip Noel and 3rd High Master went to Marc Olivier.

1st Master/Master Unclassified went to Wes Cummings.

Wes Cummings set an unofficial National Record for Police posting a 199-12X, not once but twice this weekend. The old record was 199-11X. Paperwork will be submitted to the NRA to record this new record. Congratulations to Wes! It couldn't happen to a nicer guy.

Again I want to thank everyone who came out to shoot and to those who helped with running things.

I'll be submitting my proposed dates for the regional and Championship soon, so be on the lookout as I will put the information out as soon as I get approvals.

Thanks again,
Rick
