

PALO ALTO SPRING REGIONAL
MARCH 7 and 8, 2015
PALO ALTO RIFLE AND PISTOL CLUB
DONALDSONVILLE, LOUISIANA

The Spring Regional is in the books. I would like to take this opportunity to thank Rob Westfall, John LeBlanc and Jerry Boudreaux for helping with line duties all week. I also want to thank Mickey Brinkman, Glen Padgett, Robert Bose, Gary Henry, Dwight Hebert, Vaughn McDonald and Chip Noel for taking turns as Pit Bosses. Thanks to Joe Mistretta for helping Saturday morning.

Thanks to Tricia LeBlanc and Tammy Stewart for handling the statistics all weekend. Also, thanks to Shawn Delcambre for helping Saturday and Jolinda Daugherty for helping on Sunday.

We had a full complement of 60 shooters and I think everyone got their monies' worth this weekend with another nail biter. Folks came from as far away as Missouri, West Texas and Florida, as well as Mississippi, Houston area and Mississippi.

The winds on Saturday started out blowing before the first round was fired and temperatures were around 32. Climbing into the upper 40's by the end of Day 1.

Sunday saw calm winds for the first couple of groups with a pick up as the day progressed. Starting temperatures climbed into the low 60's by the end of the day.

During the course of the weekend 25-200's were shot, but that didn't necessarily guarantee a win.

Prone side saw 12 shooters and at the end of Day 1 saw Kenny Porter with a 2 shot lead over Warren Freeman. Kenny never let up and in the end took the Gold Medal with a 1196-67X. Gary Henry took the Gold with a 1186-65X and Bill Jenkins took Bronze with 1186-58X.

1st High Master was Stacey Tamulinas with a 1184-70X. Harold Sightler was 1st Master with a 1173-39X and David Bay was 2nd Master with a 1165-45X.

On the FTR side there were 24 shooters. Jade Delcambre took an early lead and never let go posting a new 1200 point Range Record of 1193-64X to take the Gold Medal. Tony Arcement shooting a .223 took Silver with a 1182-58X and Shawn Broussard took Bronze with 1180-46X. Shawn also built Jade's rifle. 1st High Master was Craig Martin with a 1178-50X and Donald Diffey was 2nd High Master with a 1171-49X.

Dan Meek was 1st Master with a 1167-30X and Vaughn McDonald was 1st Expert/SS/Marksman with a 1150-21X.

The Open group also had 24 shooters and it was a battle between Ben Steinsholt and David Decereaux from the start. AT the end of Day 1, Ben held a 2 point lead and on Sunday it was just as close with only 1 point separating the 2. In the end Ben won the Gold Medal with a 1197-72X and David took the Silver with a 1194-77X. James Laney was Bronze with a 1187-66X.

1st High Master was Jim Gleason with a 1182-61X and Marc Olivier was 2nd High Master with a 1181-58X. Doug Gary was 1st Master with a 1170-37X.

Our next big match is the Champions de la Louisianne (Louisiana Championship) in October. It is all but sold out.

I want to thank everyone for coming out.

Rick
