

APRIL MID-RANGE F-CLASS/PRONE MATCH  
 April 4, 2015  
 Palo Alto Rifle and Pistol Club, Inc.

And the winds did blow.....

30 shooters came out and found out 2 things right away- the winds were almost full force from the very beginning and 60 degrees with overcast and winds feels a whole lot colder than 60 degrees with calm winds and sunshine.

The Prone side had 5 shooters and Gary Henry took the Gold with a 594-25X. John Laws was 1<sup>st</sup> in Master/Expert class with a 573-16X.

F-Open had 9 shooters. Having the Easter Holiday off from college, Taylor Boudreaux was able to shoot for the first time in several months. The hiatus didn't hurt much as she took the Gold medal with a 593-28X. In today's winds that was a very good score!. Bob Lundholm took 1<sup>st</sup> High Master with a 588-20X. First time visitor Bill Wade took 1<sup>st</sup> Master Unclassified.

The FTR folks had the most shooters with 16. Everyone was watching the High Master and Masters all match to see who would win it. But, coming out of the Expert class, Rocky Bezet knocked it out of the park posting a 585-15X to take the Gold Medal! Congrats Rocky! David Aldridge was 1<sup>st</sup> High Master with a 582-19X. Manuel Cepeda was 1<sup>st</sup> in the Master/Master Unclassified/Expert class with a 580-18X and Glen Padgett took 2<sup>nd</sup> with a 580-14X. Jeffrey Penno took 1<sup>st</sup> in the Marksman/Sharpshooter class.

As always, we want to thank those folks who drive several hours each month to come shoot with us.

We'll see you on the line.
