

**January 2016 Palo Alto Mid-Range F-Class/Prone Match
January 2, 2016**

21 hearty souls came out on a raw, dreary day to start off 2016 shooting with some friends.

The Prone group fielded 4 with Gary Henry taking the Gold with a 595-29X. Warren Freeman won the combined group with a 590-15X.

The Open group had 3 today and Andy Suber shot a 596-37X to take the Gold. Andy also equaled her Nation Record with a 200-16X. Tony Arcement was battling Andy right up to the end, but a rifle problem left him unable to finish the 3rd string.

F-TR had 14 on the line. Craig Martin and Mickey Brinkman started off tied after string 1, but Craig stayed consistent all day and took the Gold with a 597-29X. Mickey Brinkman was 1st High Master with a 591-25X.

Kent Hall was 1st Master/Master Unclassified with a 584-25X.

Vaughan McDonald was 1st Expert with a 589-19X.

Randall Lamotte was 1st Sharpshooter/Marksman with a 556-6X.

Thanks to all for getting the flags and targets up and down. Your help is appreciated.

See you next month!
