

Mid-Range F-Class/Prone Match at Palo Alto Rifle and Pistol Club  
September 3, 2016

28 shooters came out on what turned out to be a not-so hot day. Humidity was down, so temperatures were relatively pleasant for a late summer day. With all the rains we've been having and being unable to cut it, the grass on the 200, 300 and 500 yard berms were at a height level that often made staying on the correct target a challenge.

The Prone folks had a nice turnout of 11 folks. Master Unclassified Michael Liuzza took the Gold Medal with a 595-30X. Bill Jenkins was 1<sup>st</sup> High Master with a 593-28X. Robert Bose was 1<sup>st</sup> Master/Master Unclassified with a 574-18X. Dwayne Vidrine was 1<sup>st</sup> Expert/Marksman with a 564-18X.

F-Open had 9 shooters with Shawn Broussard taking the overall win with a 598-30X. Shawn also shot a 200. Jerry Boudreaux was 1<sup>st</sup> High Master with a 597-40X and Rick Smith was 2<sup>nd</sup> High Master with a 596-17X. Some close scores. Jerry and Rick both shot 2- 200's.

FTR had 8 shooters and Craig Martin took the Gold with a 597-38X. Craig also shot a 200. 1<sup>st</sup> High Master went to Vaughan McDonald with a 595-24X. 1st Master/Master Unclassified/Expert went to Manuel Cepeda with a 587-25X.

James Authement in Open and Vaughan McDonald in TR also shot their first 200'S. Good job!

Thanks to all who make the drive to shoot with us and to those who help get everything set up and taken down.

Next month is the Championship match, so regular matches will resume in November.

Thanks, Rick and Vaughan
